Dear Sir:

In response to the Official Action dated August 22, 2002, please amend the present application as follows:

In the Specification:

Please replace the paragraph at page 9, lines 30-36, with the following rewritten paragraph:

--For stability reasons, the compositions according to the present invention that may typically comprise a bleach activator, as described hereinbefore, are preferably formulated either as aqueous emulsions of said bleach activator in a matrix comprising water, the aromatic-aliphatic diacyl peroxide, the second peroxygen bleach and an emulsifying
